

Skunk Anasie, Hedonism

Hedonism

I hope you're feeling happy now
I see you feel no pain at all it seems
I wonder what you're doin' now
I wonder if you think of me at all
do you still play the same moves now
or are those special moods
for someone else
I hope you're feeling happy now

just because you feel good
doesn't make you right
just because you feel good
still want you here tonight

does laughter still discover you
I see through all the smiles
that look so right
do you still have the same friends now
to smoke away your problems and your life
oh how do you remeber
me the one that made
you laugh until you cried
I hope yo're feeling happy now

just because you feel good doesn't make you right
just because you feel good still want you here onight

I wonder what you're donig now
I hope you're feeling happy now
I hope you're feeling happy now
