

Sky's The Limit, Just Wait

overwhelmed cause it's just like falling again
i know it well
is this me or is this real
thought i knew the drill
as it turns out i didn't know a thing
overwhelmed here i go again
overwhelmed with joy with pain
it makes it all clear
a wishing well
i wished for something
but what i got was even better
his will is the only thing
that will ever make it last
overwhelmed there will be
no again i found something nervous
waiting wait for better things to come
just wait one more one more minute
then it will be mine alone
