

Sky's The Limit, Neverending, Like The Sky

i can't comprehend your love for me
i can't understand why you died for me
died for me
why you died for me
i still don't understand
my question begs sincerity
if i could please know why
why you died for me
died for me
why you died for me
so i reach out to find myself a savior
because i need you more than ever
so please don't let me go
your love is never ending like the sky
so vast and wide
so i reach out to the background
you pick me up and say keep moving
you'll be there to catch me when i fall
and i fall so hard
