

Skye, Stop Complaining

V1

I don't know why
But I can't seem to find the right melody today
I can't make the words fit how I feel
I don't know when
Was the last time that I slept the whole night through
And when morning comes around I feel tired

Br

I woke up from the strangest dream
With a dancing dog and a beauty queen
They said nothing, nada, niente
I'm empty

Ch

But You're here and I'm here
So I stop complaining it could be raining
And I see the answer in your eyes
You're here and I'm here
I keep on singing just keep on singing
Singing

V2

Do you know why
I can't seem to find the right melody today?
Can't make the words fit how I feel
Do you know when
Was the last time that I slept the whole night through?
Another morning comes around, I feel tired

Br

I drive down to the rodeo
Gonna ride a bull in a video
But nothing, nada, niente.
I'm still empty

Ch

But you're here and I'm here
So I stop complaining it could be raining
And I see the answer in your eyes
You're here and I'm here
I keep on singing just keep on singing
Singing singing singing
