

Skye Sweetnam feat. Britney Spears, Wild World

Lalalala...

Lalalala...

Lalalala...

Now that I've lost everything to you

You say, you want to start something new

And it's breaking my heart you're are leavin'

Baby, I'm grieving

But if you want to leave

Then take good care

I hope you have a lot of nice things to wear

But then a lot of nice things to matter where

Oh baby, baby it's a wild world (na na na na na)

It's hard to get by just upon smile

Oh baby, baby it's a wild world (na na na na na)

And I'll always remember you like a child (girl)

You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you a sad girl

Don't be a bad girl

But if you want to leave then take good care

I hope you make a lot of nice friends out there

Just remember there's a lot of bad and beware

Oh baby, baby it's a wild world (na na na na na)

It's hard to get by just upon smile

Oh baby, baby it's a wild world (na na na na na)

And I'll always remember you like a child (girl)

Lalalalala...

Baby, I love you

But if you want to leave

Then take good care

I hope you meet a lot of nice friends out there

But just remember theres a lot of bad and beware

Oh baby, baby it's a wild world (na na na na na)

It's hard to get by just upon smile

Oh baby, baby it's a wild world (na na na na na)

And I'll always remember you like a child (girl)
