

Skye Sweetnam, Just A Girl

I'm just a girl
Don't want to be fly or high
Or go with any guy
Who wants me to be his sugarbaby

I'm just a girl
Don't wanna be hit
I'm not your chick so get a grip
You've gotta be fine to get a maybe

I want to be
Anything I want to be
Why can't you see
There are so many possibilities
Do you even know
There are a million places we can go
Yeah yeah yeah yeah

I'm just a girl
Don't need the floss to be the boss of anything
I've already got what I've been wanting

I'm just a girl
I want to be me and have a personality
I don't get attention just by fronting

I want to be
Anything I want to be
Why can't you see
There are so many possibilities
Do you even know
There are a million places we can go
Yeah yeah yeah yeah

I want to be only me
I want to show a little bit of personality
Take it or leave it
I really don't care
Cause there's more to me
Than the clothes that I wear
A sugarbaby, well maybe I'm not
But I think you better like everything that I've got
Make me smile, make me feel like a she
Just to make me be something that I don't want to be

I want to be
Anything I want to be
Why can't you see
There are so many possibilities
Do you even know
There are a million places we can go
Yeah yeah yeah yeah

Mm mm baby

I'm just a girl

I'm just a girl
Wanna feel the beat under my feet
Oh it's so sweet
When the music takes control

I'm just a girl I wanna have fun
And you're the one I know

Cause I can feel it in my soul

I want to be
Anything I want to be
Why can't you see
There are so many possibilities
Do you even know
There are a million places we can go
Yeah yeah yeah yeah
