

Skye Sweetnam, This Is Me

Everyone has got a secret side
A winding path that's through
A door that's open wide
I think you know me
But I'm changing all the time

Because if I wanna be sweet
If I wanna be wild
If I wanna cry like a child
If I pick up the world
In the palm of my hand
I guess that's just who I am

CHORUS

This is me, can't ignore it
Reaching out, breaking free
Constantly falling forward
Yeah, I'm just going for it
This is me

Sometimes life is a confusing thing

When I talk it seems like no one's listening
Try to be an angel, but I just can't find my wings

'Cause I wanna be sweet
But I wanna be wild
And I wanna find my own style
So I make a mistake, then I do it again
But I do it the best that I can

+REPEAT CHORUS

More than what you see
Find out who I can be...

+REPEAT CHORUS - 2x

Can't ignore it...
Breaking free...
Falling forward
Yeah, I'm just going for it
This is me
