

# Skylar Grey, Love The Way You Lie Part III

On the first page of our story  
The future seemed so bright  
Then the saint turned out so evil  
I don't know why I'm still surprised  
Even angels have their wicked schemes  
And you take that to new extremes  
But you'll always be my hero  
Even though you've lost your mind

Just gonna stand there and watch me burn?  
Well, that's all right because I like the way it hurts  
Just gonna stand there and hear me cry?  
Well, that's all right because I love the way you lie  
I love the way you lie  
I love the way you lie

Now there's gravel in our voices  
And glasses shattered from the fight  
In this tug of war, you always win  
Even when I'm right  
'Cause you feed me fables from your head  
With violent words and empty threats  
And it's sick that all these battles  
Are what keeps me satisfied

Just gonna stand there and watch me burn?  
Well, that's all right because I like the way it hurts  
Just gonna stand there and hear me cry?  
Well, that's all right because I love the way you lie  
I love the way you lie  
I love the way you lie

So maybe I'm a masochist  
I try to run, but I don't wanna ever leave  
'Til the walls are going up  
In smoke with all our memories

Just gonna stand there and watch me burn?  
Well, that's all right because I like the way it hurts  
Just gonna stand there and hear me cry?  
Well, that's all right because I love the way you lie  
I love the way you lie  
I love the way you lie  
I love the way you lie
