

Skylark, Light

I - THE MISSION

ORACLE: A prophecy was made that someday the time will come in which darkness will take hold of the world.

But it is also written that one man will stand out and proudly fight against evil, violence and hatred and bring back the light....

Walking in the dark above our head
young people are passing through the wall
listening to the call of the wild land
They live and fight to take the light back home
They have to run away in a travel to the space
they have to start a game this could be the final race

But the time I know will come
if you put your heart in trouble
time in which the sky'll meet the world
time right will come

there's a light laid down beside you
fight on thunder of love

Staring at red eyes of the guardian
they can see the wicked arise
they would forget but they have to save their love
raise your hands before the last hopes fall
They have to save our life taking back our guiding light
they're trying to change the sign and the evil will be blind

But the time I know will come
if you put your heart in trouble
time in which the sky'll meet the world
time right will come
there's a light laid down beside you
fight on thunder of love

II - CALL OF THE AGES

NYMPHES: The fire is breaking the wall of silence
and I don't know what to do
because the time has come
and all that you have to do is fighting
don't be afraid...believe in yourself...try!

III - SOULS OF DARKNESS

(Instrumental)

IV - THE MISSION (REPRISE)

They have to run away in a travel to the space
they have to start a game this could be the final race
But the time I know will come
if you put your heart in trouble
time in which the sky'll meet the world
time right will come
there's a light laid down beside you
fight on thunder of love
MANKIND: Let them fight....on thunder of love!

V - DARK SIDE OF THE TRUTH

(Instrumental)

VI - THE JOURNEY

There's a light in the sky,
that signs the dotted line
we have the right to fight so hard to find it
all that now we need is a miracle for our life
fighting to win another time
Fight until the end because I need it
MANKIND: We need it
Show us what you think because I need it
MANKIND: You need it

Take us to the right side ('cause) we could
never find the strenght to find this light to
erase the tears and to discover the secrets of mankind
Believe in what you're seeing changing
Destiny of our future in your hands you've got the secrets of our life

VII - WHITE WARRIOR MEETS LADY OF THE LIGHT

But we'll never forget!...
and time will not come!!!
but we'll never retron!...
maybe time has yet come!!!
LADY OF THE LIGHT: Only you can change it!
WHITE WARRIOR: Only you can guide me...
I'm flying away
BOTH: Don't let me down!
LADY OF THE LIGHT: Only you can help me
WHITE WARRIOR: Only you can save me...
save me tonight
BOTH: Don't let me down!
LADY OF THE LIGHT: You're the light of mine
WHITE WARRIOR: But I can't remember your face
LADY OF THE LIGHT: There's a star high in the sky
WHITE WARRIOR: That signs the sens of truth
ANGELS: There's a flag that brings our time
WHITE WARRIOR: To guide me above you.
I'm a dreamer....
Fly, against the Guardian of the Light,
my brain will stop the sound of time,
I'm ready for the fight till the end of time
MANKIND: Fight the Guardian of the Light
to stop the sound of time
we cannot die till the end of time
ANGELS: Fight alone, ride to the heaven
ST. PETER: The gates are widely open
GOD: Deep sky is waiting
ANGELS: Falling down, my soul is floating
WHITE WARRIOR: Lord take my soul tonight
LUCIFER: With my evil thoughts inside

VIII - A NEW HORIZON (Instrumental)

IX - READY FOR FIGHTING (Instrumental)

X - THE FIGHT (PART 1)
Walking in the land of the pray
you can understand the good way
shooting the top of the mountain
killing the wrong side of game
But I'll see the light to run away...
ANGELS: To run away
But I will capture the light of day...
CERBERUS: The light of day
Sliding on your terrible eyes
blowing the energy of her love
you can't forget who am I
so take me before I fall!
Now I can face the Guardian of the Light
'cos one of two I know he has to die
to die! to die! to die!

XI - THE FIGHT (PART 2) (Instrumental)

XII - MISTERIES OF LIFE

LADY OF THE LIGHT: Come to me....

XIII - THE VICTORY

WHITE WARRIOR: Now I've got the light for the world!

ADAMIS: The battle is over, light is regained.

We all confide that our White Warrior will protect the light and keep it shining forever...
