

# Skywind, O2

She Cries When Gray Skies Clear  
He Goes Far Away  
Again  
We Bathe In Waterfalls  
Swimming Through It All  
Again

She Dives

Patiently She Watches As He Takes A Leap  
Into The Deep End  
Again  
We Pass By Pretending Not To See Your Eyes  
Focused Into Sea  
Amends  
Seasons Lie  
They Cover Up The Stain  
From Bleeding Hearts  
They Never Change  
Keep You Sane  
They'll Always Be The Same  
Old T.V. Series  
We Can't Hide  
We Need Another Fix From Life  
So We Run  
Into Air, Into Clear  
Hiding From The Rain

Change Your Mind  
I'll Never Try To Take Your Breath Away  
Now I Want Out Where I Can Taste The Air

Sinking In A Whirlpool-World Created  
Suffocate  
Suffocate  
We Dive

Still Soaking From The Rain

Can You Taste The Air?  
Do You Taste The Air?  
No
