

# Skywind, Sleepwalk

Suddenly You Step  
Out Across The Edge  
And Spread Your Wings Out Wide  
Got No Time To Rest  
Only Second Guess  
And Strap Yourself In Tight

Stop Telling Lies  
It'd Make It All Seem Better  
If You Stopped On That Dime  
And Face Up To The Weather

Stand On Burning Ground  
Voices All Around Will Wake You  
In Your Sleep  
She Won't Let You Think  
She'll Only Watch You Sink  
And Laugh When You Drown

Stop Telling Lies  
It'd Make It All Seem Better  
If You Stopped On That Dime  
And Face Up To The Weather
