## Slade, A Night To Remember

Oh, I know, if you're ready for me, my hot rod's ready to burn An' I know, if you're waitin' for me, my engine's startin' to turn I've bin livin' on Platform Nine, travellin' thru' I've bin savin' my skin machine for you

Look out tonight a-will be a night to remember Look out a-tonight is a-gonna be a night to remember Look out, yeah look out, yeah

I know, if you're revvin' it up, my radiator will boil An' I know, if you get into gear, you need a better quality oil I've bin livin' on borrowed time, well overdue I've been savin' it all alone for you

Look out tonight a-will be a night to remember Look out 'cos tonight's gonna be a night to remember Look out, yeah look out, look out Oh, I know, if you're ready for me, my engine's ready to burn, burn, burn I know, if you're ready for me, my hot rod's ready to turn Look out tonight is gonna be a night to remember Look out a-tonight is gonna be a night to remember Look out, yeah for me, a night to remember a night to remember, look out, yeah look out, yeah
