## Slade, Everyday

Everyday when I'm away I'm thinking of you Everyone can carry on Except for we two

And you know that our love And you know that I And you know that our love won't die

## CHORUS

And it won't even show And no-one will know One little wave To say you'll behave It won't even show How far love can go

Everyday when I'm away And ther's been a few Every land I need a hand To help me come through And you know etc....
