

Slade, I'll Be There

If you say you need me, then I'll be there.
If you say you feel me, then I'll be there.
If you say you want me, then I'll be there.
If you say that you wanna love me, then I'll be there.

Just another day and you wanna break away,
Don't do anything I wouldn't do - oh oh
Here we go again, are you chasing after men
And playing hard to get when they chase you?

If you say you need me, then I'll be there.
If you say you feel me, then I'll be there.
If you say you want me, then I'll be there.
If you say that you wanna love me, then I'll be there.

Staring at the walls, only waiting for your calls,
You sweet talker you there on the phone - oh oh
Another pack of lies, you're a devil in disguise,
You ain't spending all your nights alone

If you say you need me, then I'll be there.
If you say you feel me, then I'll be there.
If you say you want me, then I'll be there.
If you say that you wanna love me, then I'll be there.

The liberties you take, the excuses that you make,
There's something in your eyes that don't ring true - oh oh
Your ability leads to infidelity -
While I'm saving myself just for you.
Just for you - just for you -
Just for you - just for you

If you say you need me, then I'll be there.
If you say you feel me, then I'll be there.
If you say you want me, then I'll be there.
If you say that you wanna love me, then I'll be there.
If you say you need me, then I'll be there.
If you say you feel me, then I'll be there.
If you say you want me, then I'll be there.
If you say that you wanna love me, then I'll be there.
