

Slade, I'm A Rocker

We're gonna do a little bit of rock and roll..... yah!

I went a-out on the floor when they played number one
My rock and roll baby was sure havin' fun
I'm a rocker - I'm a roller
I go down sometimes, but I come back to rock and rollin', rollin'

I went out on the floor when they played number two
She says she don't , but I know she do!
I'm a rocker - I'm a roller
I go down sometime, but I come back to rock and rollin', rollin'

I went out on the floor when they played number four
My little baby was askin' for more
I'm a rocker - I'm a roller
I go down sometimes, but I come back to rock and rollin', rollin'

Get on
(guitar solo)

Go on Davey, get the f**k in!
Hey hey

I went out out the floor when they played number seven
Had a coke and cheeseburger that sent me to Heaven
I'm a rocker - Hey hey, I'm a roller, Whooh!
I go down sometimes, but I come back to rock and rollin', rollin'

I went out on the floor when they played number nine
Shge wanted more but I ain't got the time
I'm a rocker - I'm a roller
I go down sometimes, but I come back to rock and rollin', rollin'

We went out on the floor when they played number ten
My rock and roll baby says do it again
I'm a rocker - I'm a roller
I go down sometimes, but I come back to rock and rollin', rollin'
I go down sometimes, but I come back to rock and rollin', rollin'
I go down sometimes, but I come back to rock and roll.
