

# Slade, L.A. Jinx

The Jinx . . . .

Hooray - the demon's had his day  
The voodoo's had its say - they all been washed away  
Hoorah - here comes that shining star  
I'll keep it in a jar - the trumpets play ta-ra

'Cos the L.A. Jinx is all over  
And now I've found me a 4 leaf clover  
I got myself a rabbits paw  
And a horseshoe over the door  
'Cos the la Jinx is all over  
And now I've found me a 4 leaf clover  
I got myself a lucky charm  
And there ain't nothing gonna do me no harm

Yahoo - at last the spell is through  
There's no more witches brew  
The gremlin's had its due  
Yippee - hooray and golly gee  
Here comes that winning key - the key to set me free

'Cos the la Jinx is all over  
Now I've found me a 4 leaf clover  
I got myself a rabbits paw  
And a horseshoe over the door  
I got myself a lucky charm  
And there ain't nothing gonna do me no harm

Hooray - the demon's had his day
