

# Slade, Let The Rock Roll Out Of Control

Leather Army, goin' barmy, givin' it some stick  
Denim Jackets make a racket, layin' it on thick  
Can't you see the rock there's gotta roll  
Can't you see the boys are goin' out of control  
Let the rock roll out of control, out of control yeah

Generatin' Guitar Heroes, holdin' all the chords  
All-electric, pyro-technics, hear the Ravers roar  
Can't you see the rock there's gotta roll  
Can't you see the boys are goin' out of control  
Let the rock roll out of control, out of control yeah, yeah

If you can't stand it, you're gettin' too old  
You're never too old, to rock 'n' roll out of control, out of control

Let the rock roll out of control, Let the rock roll out of control  
Let the rock roll out of control, Let the rock roll out of control  
out of control, out of control, out of control, out of control

Oh, Leather Army, goin' barmy, givin' it some stick  
Denim Jackets getta-wack-it, layin' it on thick

Can't you see the rock there's gotta roll  
Can't you see the boys are goin' out of control  
Can't you see the rock there's gotta roll  
Can't you see the boys are goin' out of control  
Let the rock roll out of control, Let the rock roll out of control - etc
