

Slade, Raining In My Champagne

Yeah!

I got a hole burnin' in my pocket, I got a geetar that wants to rock
I got a tune an' I wanna sock it with electrical shock, yeah hey hey hey hey

I got some ants in my pants an' they're a-jumpin'
I've gotta get a shot of rhythm 'n' blues
I've got some hot stuff inside an' it's a-pumpin'
Down to my shoes, yay yay

It's raining down on me champagne (it's raining champagne)
Let it rain, let it rain (let it rain, let it rain)
It's raining, raining, raining champagne (it's raining, raining, rainin')
It's gettin' into my brain, let it rain in my brain, again again again

I've got some soul burnin' in my pocket - I've got a hard workin' ol' mojo
I've got a geetar an' I wanna rock it - So come on let's go, go go ho ho ho

Now there are some think it's mindless bashin' an' there are some who we'll never get to
An' there are some who really like it crashin' - How about you, you you ?

It's raining down on me champagne (it's raining champagne)
Let it rain, let it rain (let it rain, let it rain)
It's raining, raining, raining champagne (it's raining, raining, rain, yeah)
It's gettin' into my brain, let it rain in my brain,
again again again again again again again

I've got a hole burnin' in my pocket, Got a geetar an' I wanna rock it
I've got a tune an' I wanna sock it with electrical shock, yeah yeah

It's raining down on me champagne (it's raining champagne)
Let it rain, let it rain (let it rain, let it rain)
It's raining, raining, raining champagne (it's raining, raining, rain, yeah)
It's gettin' into my brain, let it rain in my brain,
again again again again again again

It's raining down on me champagne (it's raining champagne)
Let it rain, let it rain (let it rain, let it rain)
It's raining, raining, raining, raining (it's raining, raining, rain, yeah)
It's gettin' into my brain, let it rain in my brain,
again again again again again again

It's raining down on me champagne (it's raining champagne)
Let it rain, let it rain (let it rain, let it rain)
It's raining, raining, raining, raining, raining champagne (it's raining, raining, rain, yeah)
It's gettin' into my brain, let it rain in my brain,
again again again again again again again
again again again again again again again
