

# Slade, Run Away

I like black and white  
Dreaming in black and white  
You like black and white  
Run away  
See chameleon  
Lying there in the sun  
All things to everyone  
Run away  
If you're in the swing  
Money ain't everything  
If you're in the swing  
Run away  
See chameleon  
Lying there in the sun  
All things to everyone  
Run away  
If you gotta crush  
Don't beat around the bush  
When I gotta crush  
Run away  
See chameleon  
Lying there in the sun  
All things to everyone  
Run away  
Oh now can't you wait  
Love don't come on a plate  
Oh now can't you wait  
Run away  
See chameleon  
Lying there in the sun  
All things to everyone  
Run away  
Run away  
Run away  
Run away
