Slade, Wild Wild Party

Chorus
It's a wild, wild party night, If you're dancin' it's alright
Where the girls are pretty, really pretty, Wild, wild party night

Everybody goin' round the bend, an' they're bringin' more an' more an' more friends
It's makin' me crazy, I'm ready to go, oh oh

Chorus
It's a wild, wild party night, If you're dancin' it's alright
Where the girls are pretty, really pretty, Wild, wild party night

Well it's chaos an' we've just begun, Everybody gonna have some fun
It's makin' me crazy, I'm ready to go, oh oh

Chorus
It's a wild, wild party night, If you're dancin' alright
Where the girls are pretty, really pretty, Wild, wild party night

More an' more them people at the door, someone tell me what to do
The way they're dressed is gettin' less an' less, What's good for me is good for you
