

# Slapp Happy, Who's Gonna Help Me Now?

Who's gonna help me now  
Who's gonna help me now  
He left me alone  
On the aerodrome  
Who's gonna help me now  
He never told me a lie  
He never told me a lie  
He swore he'd be back  
In a Cadillac  
He promised me pie in the sky  
Promised me pie in the sky  
I'm down to my very last dime  
I'm down to my very last dime  
This flight is the start  
To the end of my heart  
You're nowhere and never on time  
Breakin' this poor heart of mine
