

# Slapshock, Drown

Love to hate you love to hate  
He never cares you made me sit without a chair  
My tongue is burning but still I lie  
Oh when you smile oh yeah I cry I cry

Chorus:

Cut me out (4x)  
I'm proud of you my little boy  
That's what he speaks I'm not your toy  
I'm soul searching and still I'm lost  
I'm dying now without a cause  
(repeat chorus)  
Cut me out play me out  
You don't even know what this is all about  
Think I'm feeling better I never say never  
You always say a-a from here to Virginia  
(You're sick) Verbally abuse me?  
I just kill the pain I'm sure you never see me fall  
Me crawl you burn my soul I crawl  
Clown crawl clown evil

Love to hate you love to hate  
He never cares you made me sit without a chair  
My tongue is burning but still I lie  
Oh when you smile oh yeah I cry I cry  
(repeat chorus)  
Cut me out play me out  
You don't even know what this is all about  
Think I'm feeling better I never say never  
You always say a-a from here to Virginia  
(You're sick) Verbally abuse me?  
I just kill the pain I'm sure you never see me fall  
Me crawl you burn my soul I crawl  
Clown crawl clown evil  
Clown crawl clown evil clown  
Find your way, find your way  
Crawl find your way, find your way  
Evil clown  
Come step da ground  
Evil clown  
I don't want your sound  
Come on hate me, come on hate me  
No love, no love  
Cause you cut me out  
Cut me out
