Slash, Crucify The Dead (feat. Ozzy Osbourne, T

The fire started long ago
The flames burned out, still embers glow
So charred and black
There's nothing left to burn, to burn

We had the same dream Lived life to extreme A loaded gun jammed by a rose

The thorns are knots around your head Your ego cursed you till you bled You cannot crucify the dead To me you're dead, yeah

The future is unset in stone Decisions past leave you alone Betrayed us all with your own selfish greed, your greed, yeah

New soldiers now say That your beggars collect Re-crucified and paid by you

The thorns are knots around your head Your ego cursed you till you bled You cannot crucify the dead To me you're dead, yeah

We were like brothers with the world in our hands You always have too much to say Someday you look back and you wonder why You let it all slip away, yeah

Crucify the dead Crucify the dead

The thorns are knots around your head Your ego cursed you till you bled You cannot crucify the dead To me you're dead, yeah
