

Slaughter, Desperately

(Dana Strum, Mark Slaughter)

It's so good to see you now

It's been so long since we've been together

You kept in touch somehow

You always found a way to be there

[CHORUS]

I wish that I could stop the hands of time between us

All the days gone by

Do you remember when we were the best of friends

All the days gone by

You know that memories never fade

As you're watchin' all your days go by

Lookin' back on younger years

That's what our hopes and dreams are made of

All the laughter and the tears

It's the feeling of love that makes us

[CHORUS]

All of the feelings that we had before

But through the years, oh those were the times

Ooh yeah, alright

The memories we share

You can't erase them from your mind

Those were days gone by

You know that memories never fade

As you're watchin' all your days go by

They go by, they go by, they go by, they go by

You know that memories never fade

As you're watchin' all your days go by
