

Slaughter, Gave Me Your Heart

Pictures of you
They're still on my mind
You had the smile
That could light up the world
Now it rains
It seems the sun never shines
And I'll drive down
This lonely lonely road
Ooh I got this feelin'
Girl, I gotta let you go
'Cause now you've got to fly
Fly to the angels
Heavens awaits your heart
And flowers bloom in your name
You've got to fly
Fly to the angels
All the stars in the night
Shine in your name
You know it hurts me
Way deep inside
When I turn and look
And find that you're not there
I try to convince myself
That the pain, the pain
It's still not gone.
