

Slaughter, Spend My Life

(and when morning comes).....
up all night, sleep all day
up all night, sleep all day
(musical interlude)
when evenin comes
I am alive
I love to prowl around in the streets
Its the moonlight
that controls my mind
NOW I've got the power to speak, yeah
(awake from dusk to dawn)
under the city lights
(stars are shinin down)
theyll be shinin down on you and I
(and when morning comes)
I'll hold you till the mornin light
everybody sing it now
up all night
sleep all day
up all night
sleep all day
thats right
ah ahhh ahhhhh
drivin down the boulevard
all alone
the neon signs are callin my name
find me in the corner
havin the time of my life
I think youd wanna do the same
(awake from dusk to dawn)
under the city lights
(stars are shinin down)
theyll be shinin down on you and I
(and when morning comes)
I'll hold you till the mornin light
everybody sing it now
up all night
sleep all day
up all night
sleep all day
thats right
up all night
sleep all day
c'mon c'mon
up all night
aww baby if we could stay up
24 hours a day
uuh
aaaaaaaaahhhhhhhhhh...
(guitar solo)
(awake from dusk to dawn)
under the city lights
(stars are shinin down)
theyll be shinin down on you and I
(and when morning comes)
I'll hold you till the mornin light
everybody sing it now
up all night
sleep all day
up all night
sleep all day
c'mon c'mon
up all night
sleep all day

that's right
up all night
sleep all day
up all night.....(fade out)
(fade in)
land where our fathers died
land of the pilgrims pride
from every mountainside
let freedom ring
