

# Slaughter, Up All Night(Sleep All Day)

(and when morning comes).....

up all night, sleep all day

up all night, sleep all day

(musical interlude)

when evenin comes

I am alive

I love to prowl around in the streets

Its the moonlight

that controls my mind

NOW I've got the power to speak, yeah

(awake from dusk to dawn)

under the city lights

(stars are shinin down)

theyll be shinin down on you and I

(and when morning comes)

I'll hold you till the mornin light

everybody sing it now

up all night

sleep all day

up all night

sleep all day

thats right

ah ahhh ahhhhh

drivin down the boulevard

all alone

the neon signs are callin my name

find me in the corner

havin the time of my life

I think youd wanna do the same

(awake from dusk to dawn)

under the city lights

(stars are shinin down)

theyll be shinin down on you and I

(and when morning comes)

I'll hold you till the mornin light

everybody sing it now

up all night

sleep all day

up all night

sleep all day

thats right

up all night

sleep all day

c'mon c'mon

up all night

aww baby if we could stay up

24 hours a day

uuh

aaaaaaaaahhhhhhhhhh...

(guitar solo)

(awake from dusk to dawn)

under the city lights

(stars are shinin down)

theyll be shinin down on you and I

(and when morning comes)  
I'll hold you till the mornin light  
everybody sing it now

up all night  
sleep all day  
up all night  
sleep all day  
c'mon c'mon  
up all night  
sleep all day  
that's right  
up all night  
sleep all day  
up all night.....(fade out)  
(fade in)  
land where our fathers died  
land of the pilgrims pride  
from every mountainside  
let freedom ring
