

# Slayer, I'm Gonna Be Your God (I Wanna Be Your Dog)

(David Alexander/Scott Asheton/Ron Asheton/James Osterberg)

[by Iggy & The Stooges]

I'm all jacked up  
I want you here  
In my room I want you dear

And now it's time to bury my face  
Between your legs  
With my tongue in that special place

Now I'm gonna be your God  
Now I'm gonna be your God  
I'm gonna be your God

Now I'm ready to close my eyes  
To feel that warm deep throat action  
Now I'm ready to make you cum  
And fuck like dogs all night long

Now I'm gonna be your God  
Now I'm gonna be your God  
I'm gonna be your fucking God

I'm all jacked up  
I want you here  
In my room  
I want you dear

Now I'm ready to make you cum  
And fuck like dogs all night long

I'm gonna be your God  
I'm gonna be your God  
I'm gonna be your fucking God
