

# Slayers, Revolution

jap.

Owari ha shinai!

/ang./

/It won't come to an end!/  
Harewataru sora kara ochiru toori ame  
Nagarete yuku kumo ni oitsukenakutte  
/Tears fall like rain from the clear skies  
Even if I can't overtake the flowing clouds/  
Tabidachi no saki ni ha atarashii deai  
Demo nagasareteru you de ochitsukanakutte  
/After I set off on my journey, I'll meet someone new  
Even though I won't stay calm, as if I'm being made to flow /  
Soredemo kono shunkan ni  
Subete ga owaru wake ja nai sou desho  
/Even so, it's not as if  
Everything will end in this moment, isn't that right?/  
Akireru hodo nayami nuite  
Denai kotae ima ha iranai  
Hora hontou ha akiramete inai  
Madamada ikou  
Owari ha shinai issho ni ikou kakugo kimete ne  
/Right now, I don't need an answer that won't come  
After troubling me to the very end, to the point that it shocks me  
See? The truth is, you haven't given up  
We've still got a ways to go  
It won't come to an end. Let's go together. Get ready!/  
Akai teeruranpu dokomademo tsudzuku  
Bureeki fumisugite kokoro ga juutai  
/The red taillight will continue on forever  
I hit the brakes too much, and my mind is congested/  
Soredemo donna michi demo  
Shinjiru saki ni umareru mono desho  
/Even so, no matter which path I take,  
It's one that's born in the point ahead I believe in, isn't it?/  
Akireru hodo kurikaeshite  
Yatto deaeru kiseki mo aru no  
Riaru na koto yamadzumi demo  
Nige ha shinai kakure mo shinai  
Aserazu ikou jibun no michi wo  
/There are also miracles where  
We repeat to a shocking extent, then can finally meet  
Even I've got a huge mound of real problems  
I won't run, nor will I hide  
I'll walk my own way of life without rushing it/  
We gonna make  
a revolution  
/We're gonna make  
a revolution/  
by Megumi Hayashibara
