Three more seconds till I get naked  
When we're both alone you can't take it  
He like when I'm out of my latex  
I wanna have some fun  
Three more seconds till I get naked  
When we're both alone you can't take it  
He like when I'm out of my latex  
I wanna have some fun

Fuck me on the dance floor  
Wrap your hands around and touch my body  
I can see them watching  
But I don't care, this is a private party

See the DJ watching me dance  
I wanna get fucked, don't wanna hold hands  
I wanna get up, don't wanna be friends

Three more seconds till I get naked  
When we're both alone you can't take it  
He like when I'm out of my latex  
I wanna have some fun  
Three more seconds till I get naked  
When we're both alone you can't take it  
He like when I'm out of my latex  
I wanna have some fun
