

Sleater Kinney, Don't Think You Wanna

way up in the sky
that is where am i
i breathe the thin air
i like it way up there
in a bunch of trees
i'm down on my knees
i know what you are
i know what you are
i don't think you wanna
mess around up there
angels in the skies
watch you with their eyes
they know what you are
they know what you are
everything i say
comes back to me one day
everything you do
comes back to stare at you
