

# Sleater-Kinney, Her Again

I don't know what you mean  
I don't remember it  
It doesn't mean a thing  
I'm just a normal girl

I'm down in that hole where you left me  
There both body and soul  
I am filled with all the sick things  
And I am getting out of here

I'm her again  
I'm her again  
I'm her again  
I'm her again

I didn't say that thing  
I don't remember it  
I wasn't there that day  
I didn't see a thing

I am in this thing  
Well, they say a body remembers it  
Going  
I am getting out of here

I'm her again  
I'm her again  
I'm her again  
I'm her again

????????  
I'm her again  
????????  
I'm her again

I didn't say that thing  
I don't remember it  
I wasn't there that day  
I don't know what you mean
