## Sleater-Kinney, Stay Where You Are

I can't find you Stay where you are I'm in the dark Stay where you are

(I'm alright I feel fine You're my life I'm alright)

She's dead if you want and that's me if you want Stuffed in the corner "little girl lost" I claw and I scratch and I beg and I scream I just need you to save me one last time It's me if you want but it's not what I want I want to burn up the place Set it on fire She's back because she wants to not be contained I can't tell the truth I can't speak this way

You can't find me You're in the dark I'm right here Stay where you are

(I'm alright I feel fine You're my life I'm alright)

She's dead if you want and that's me if you want Stuffed in the corner "little girl lost" I claw and I scratch and I beg and I scream I just need you to save me one last time It's me if you want but it's not what I want I want to burn up the place Set it on fire She's back because she wants to not be contained I can't tell the truth I can't speak this way x2
