Sleater Kinney, Words And Guitar

words + guitar i got it words + guitar i like it way way too loud i got it words + guitar i play it all i play it all i play it words + guitar (can't take this away from me music is the air I breathe) take take the noise in my head take take the noise in my head c'mon and turn turn it up i wanna turn turn you on I play it all i play it all i play it words + guitar (well you want it or you don't either you'll come or you won't it's the thing you'll never know it's the thing you'll never own rock you till your good and dead rock you till there's nothing left) i dream of quiet songs i hear the silky sounds hush hush and rock oh give me pretty song oh let me have that sound tonight
