Sleepaway, Understand

And I wonder how I made it through I hope you dont let others go so easy You wanted what I couldnt be

I know we tried, you couldnt stand Its not that we couldnt have I know I left, you couldnt guide me through Or understand Its not that we couldnt have

So its been said that Ive been over this since then Scars remain, and promises leave little closure

I know we tried, you couldnt stand Its not that we couldnt have I know I left, you couldnt guide me through Or understand Its not that we couldnt have
