

# Sleeper, Live

Why we live like a dream?  
Are they all can stay here?  
can we save what we feel?  
Should we dream when we sleep?

you think i don't love you's  
maybe it is the true?

I don't wanna feel  
coz you don't believe it  
Even proof i give  
never colse your eyes  
Now i gonnna try to move my life  
love is not so kind  
So change my mind

Hadn't forget your smile  
... too omany lies  
We have only one live  
we don't have a time

you think i don't love you's  
maybe it is the true?

I don't wanna feel  
coz you don't believe it  
Even proof i give  
never colse your eyes  
Now i gonnna try to move my life  
love is not so kind  
So change my mind

maybe some day all my pain  
will be burn in the flame  
in the flame

I don't wanna feel  
coz you don't believe it  
Even proof i give  
never colse your eyes  
Now i gonnna try to move my life  
love is not so kind  
So change my mind
