

Sleeping At Last, Like Autumn

Oh, God, when I ask you
"Why do you love me?"
I will try to understand
The silence that whispers reason.

I can never comprehend
Your love.

Like Autumn,
Sorrows change
And hush the sea to sleep.
Then I cry...

Because I am weaker than anyone.
I am weaker.
I fall.

I can never comprehend
Your love.

Like Autumn,
Sorrows change
And hush the sea to sleep.
Then I cry...

Because I am weaker than anyone.
I am weaker.
I fall.

I'm so cold without you.
Words cannot explain.
Words cannot explain.

I'm so cold without you.
