Sleeping At Last, Like Autumn

Oh, God, when I ask you "Why do you love me?" I will try to understand The silence that whispers reason.

I can never comprehend Your love.

Like Autumn, Sorrows change And hush the sea to sleep. Then I cry...

Because I am weaker than anyone. I am weaker. I fall.

I can never comprehend Your love.

Like Autumn, Sorrows change And hush the sea to sleep. Then I cry...

Because I am weaker than anyone. I am weaker. I fall.

I'm so cold without you. Words cannot explain. Words cannot explain.

I'm so cold without you.
