

Sleeping At Last, Until I Saw The Sea

You knew my tears though I couldn't cry.

I rest my fears in your hands.

Day Breathes

And falls across the ocean.

You know my fears.

The stars in the sky seem to notice your serenity.

As February holds the glow in my eyes.

Your promise remains unbroken.

Your promise remains unbroken.

I trust in you.

I place these days into your hands.

I am your child.

I am your child.

You were there to set me free.
