

Sleeping With Sirens, Big Gulps Huh?... Well, See

I?m coming home
I?m coming home I hope that you are there
I?m coming home
I swear to god I hope that you are there

Apologize what?s the use for wasting time on this
Cuz we also, criticize everyone like they are all to blame

I know you won?t forget
As long as we both live
We?ll get this story straight
We?ll make it through
I know you won?t forget
As long as we both live
We?ll get this right so come on, come on, come on

I?m coming home
I?m coming home I hope that you are there
I?m coming home
I swear to god I hope that you are there

All those who hate me made me
They gave me reason to stand my ground, to stand up tall
And I can?t wait til I get home to see their faces when I, I prove them wrong

I know you won?t forget
As long as we both live
We?ll get this story straight
We?ll make it through
I know you won?t forget
As long as we both live
We?ll get this right so come on, come on, come on

I?m coming home
I?m coming home I hope that you are there
I?m coming home
I swear to god I hope that you are there
