

# Sleepthief, The Chauffeur

Out on the tar plains, the glides are moving  
All looking for a new place to drive  
You sit beside me, so newly charming  
Sweating dewdrops glisten, freshening your side

(Chorus)

The sun drips down bedding heavy behind  
The front of your dress, all shadowy lined  
And the droning engine throbs in time  
With your beating heart

Way down the lane away, living for another day  
The aphids swarm up in the drifting haze  
Swim, seagull, in the sky  
Towards that hollow western isle  
My envied lady holds you fast in her gaze

(Repeat Chorus)

Sing blue silver  
With your beating heart

And watching lovers part, I feel you smiling  
What glass splinters lie so deep in your mind  
To tear out from your eyes  
With a thought to stiffen brooding lines  
And I'll only watch you leave me further behind

(Repeat Chorus)

Sing blue silver  
With your beating heart
