

# Sleepytime Gorilla Museum, Powerless

Let me give it all to the very small things  
That leaves me...powerless  
I see my face from another time  
From another day gone by (good-bye)  
Arrogant and fast  
A smile that leaks onto the saddest things  
I know I know then what I don't know now  
What I'll never know again  
Smaller now  
Powerless  
Finding some shoes  
Losing your feet  
Finding some food  
Losing your teeth  
There was a time when the world was mine  
Now it's yours and I'm...powerless  
I hear your voice from another time  
From a day yet to come (here it comes)  
Beautiful and slow  
A tear that washes through the gladdest things  
Now I've forgotten how not to give it all to the  
Very small joy that leaves me in tears and...closer now  
Powerless
