

# Sleepytime Gorilla Museum, Sleep Is Wrong

Writhing in the old bliss  
Never forget this  
Reeling in the sweet grip  
Never let this slip  
Your eyes are yours to close  
Never let go Sleep is wrong  
"Do not go gently  
Into that good night  
Rage against the  
Dying of the light"  
Your eyes are yours to close  
Never let go Sleep is wrong  
When I grow up I'm never gonna sleep  
When I grow up I'm never gonna cry  
When I go out I'm never coming home  
When I grow up I'm never gonna die
