

Slick Idiot, Make Me Believe

A Scream In The Air, So Powerful And Brave,
Neither Beautiful Nor Sexy, It Is Far Too Real.

I Don't Remember Sinking The Eight Ball,
I Don't Remember Winning Or Losing It All.

Want To Seduce Me, Stop Enlarging The Hype,
(Long) Felt That I Ought To Be Pissed But I Let It Slide.

You Will Find Out What It All Means,
Whether It's Worth It To Dodge Constantly.

Make Me, Make Me, Make Me Believe !!

We Are Experimental, Unpredictable And Not Very Talented Indeed.

Just So Off Target, You Need Much To Much
Instant Connection And Sensual Touch.

Have You Surrendered And Are You Feeling Raw ?
Demise Is Imminent, It's Your Time To Withdraw.

You Will Find Out What It All Means,
Whether It's Worth It To Dodge Constantly.

Make Me, Make Me, Make Me Believe !! Make Me, Make Me !!
