

Slightly Stoopid, American Man

american man
american man
american man
so don't try to tell me that
i am a part of a
government conspiracy
pretty lies mean more papers
to terrorize escapers
for what
it's all been two days
asking all of those questions
and using no section
and pleading fucked up insane
and i don't need more control

kick back and watch your tv
cause i am an american man
livin' life how it ought to be
and i aint got time for political aspects
shut up i was _____
american man
american man
american man
and it's so right to fight for your rights
lets unite !
to sing ??????
tragic relations
disturbing frustrations
for what
it's only to please
getting what it's not coming
disturbing not running
from what
i havent a clue
grab the remote control

kick back and watch your tv
cause i am an american man
livin' life how it ought to be
but i aint got time for political aspects
shut up i was _____
and i am an american man
livin' life how it ought to be
and i aint got time for political aspects
shut up i was _____
shut up i was _____
