

Slightly Stoopid, Anti-Socialistic

Hey hey hey hey hey hey hey hey
What it is aint what you get and
Taking time out to regret
The antisocialistic has got em in a whirl
I say
Smoke comin' over me
The smoke that's comin' out of me
But i don't want this smoke
Taking over me then what do I say but
Hey hey hey hey hey hey hey hey
Time again is wasted drinkin' 40's from the liquor store
And grab a hold of what you can and tie them in a whirl
Thats why I say
Smoke comin over me
The smoke that's comin' out of me
But i dont want this smoke
Taking over me then what do I say hey
Say something to me, it don't mean i want you
Say something to me, it don't mean i need you
Say something to me, it don't mean i got you
Say something to me, it don't mean i got to
Hey hey hey hey hey hey hey hey
What it is ain't what you get and
Taking time out to regret
The antisocialistic has got em in a whirl
And I said
Smoke comin' over me
The smoke that's comin out of me
But i don't want this smoke
Taking over me then what do I say hey
Say something to me it don't mean i want you
Say something to me it don't mean i need you
Say something to me it don't mean i got you
Say something to me it don't mean i have to
Hey hey hey hey hey hey hey hey yeah
Say something to me it don't mean i got to
Say something to me it don't mean i have to
Say something to me it don't mean i want you
Say something to me it don't mean i need you
Say something to me it don't mean i want you
Say something to me it don't mean i need you
Say something to me it don't mean i got you
Say something to me it don't mean i have to
