

Slightly Stoopid, Devils Door

d. d. devils door..

1st verse

heard you knockin on the devils door
come back tomorrow, baby
see you walkin down on berming street
i can tell you girl
who the man is you got to meet
hes got the flash of diamonds
hes got the brand new car
hes got the kinds of things
the kinds of things that will take you far
and also got to give
is just a little bit of lovin girl, yeah
just a little bit of lovin girl, oh no, yeah
