

# Slightly Stoopid, Fire Shot

we got the fire shot madness

so me go  
fire fire now  
fire down below  
for these people they running round  
out of control  
they running round them wicked out of control  
jah jah be with you  
but until we meet again  
jah jah be with you  
until we meet meet meet again  
fire no fire now  
fire down below  
below below below  
for these people they running round  
said them out of control  
they running round them wicked out of control  
what's this what's that  
budda boom boom shout out fire  
what's this what's that  
budda boom boom shout out fire  
fire fire now  
fire down below  
all these people running round with them out of control  
but they run around they wicked out of control

it's just the s-t double o p-id  
we comin' straight for ya  
when im on ya microphone bet we rock shit like a warrior  
an' dem' girls  
you gonna be doin' what those guys do  
you know  
oh jah jah still be a lady  
said these girls  
you gonna be doin' what them guys do  
you know  
wicked man now  
but he want  
he want he say now  
if all the girls yes them live cross the sea  
if all the girls yes them live cross the sea  
but what a great swimmer i and i would be  
but what a great swimmer i and i would be  
but i want my  
ink is pale girl  
my pen is dry but  
my love for you said it will not ever die  
because me love you til the well run dry  
but i love the music make you feel so high high high

when i seen em in the alley way alley way  
well they remember that  
lord have mercy  
when i return my bass it was gone  
in a matter of fact  
i looked around lord have mercy then i didnt know what to do  
im callin' 9-1-1  
but me be callin' 9-1-2  
i return to the pad that'll tell ya that i'm through  
i'm singin' a little song for you sing a little

fire fire now  
fire down below

no no no  
all these people they running round  
said them out of control  
they run around come again them out of control  
but jah will be with you  
but until we meet again  
jah jah stay with you  
until we meet meet meet again  
no part of me old  
no part of me old  
no part of me old  
repeat a jam a little \_\_\_\_\_  
i've got this bassline  
we got the bassline line line  
we got the bassline  
we got the bassline  
we got the bassline  
whoa no no no  
them got the bassline line line line line  
them got the bassline  
whoa no no  
them got the bassline
