

# Slightly Stoopid, Leaving, On A Jet Plane

'cause i am leaving on a jet plane  
don't know when i'll be back again  
oh no no babe i hate to go  
but i want cha'bring the one he say now  
but i am leaving on a jet plane  
don't know when i'll be back again  
oh no no babe i hate to go  
but i want cha'bring the one he say now  
my bags are packed and i'm ready to go  
i'm standin' here outside your door  
i hate to wake you up  
to say goodbye  
but the dawn is breakin' it's early morn  
the taxi's waiting and he's blowin' his horn  
already i'm so lonely  
i could die  
well lemme say now  
but i am leaving on a jet plane  
don't know when i'll be back again  
oh no no babe i hate to go  
but i want cha'really wanna say that  
but i am leaving on a jet plane  
don't know when i'll be back again  
oh no no babe i hate to go  
but i want cha'bring the one he say now  
so many times that i let you down  
so many times that i fooled  
i tell you know  
that they don't mean a thing  
but i want you really wanna say now  
this song i sing  
i'm gonna sing for you  
but every time i pick  
i'm gonna pick for you  
when i come home  
i'll gonna bring your wedding ring  
but i want you really wanna say that  
but i am leaving on a jet plane  
don't know when i'll be back again  
but no no babe i hate to go  
but i want you really wanna say that  
but i am leaving on a jet plane  
don't know when i'll be back again  
but no no babe i hate to go  
but i want you really wanna say now
