

# Slightly Stoopid, Reward For Me

everyday my heart is sore  
it seem that im so poor  
but i shall not give up so easily  
theres a reward for me  
theres a reward for me  
though im boarded down with shame  
still theres no one here to blame  
but i shall not give up so easily  
theres a reward for me  
theres a reward for me  
theres a reward for me

everyday sing  
theres a reward for me  
everyday my heart is sore  
it seem that im so poor  
but i shall not give up so easily  
theres a reward for me  
theres a reward for me  
theres a reward for me  
everyday sing  
theres a reward for me
